

KO Cup Round 1 Report

Tuesday saw the first round of the Knockout Cup played. The performance of the week came from the Moulders Arms, who somehow managed to beat Codnor Inn, from the league above, in a close match. Another Division Two side who put in a spirited performance were the Hosiery Mills, who just lost out over three legs to the Station. The Black Boy at Heage beat fellow Division One side Heanor Conservative Club 4-2 and there were 5-1 away wins for the Village at the Travellers Rest and the Honeypot at Red Lion B, in two all Premier League matches. In a third all premier league match up, the Staff of Life beat George Inn A, making up for their Sunday Cup exit the previous week.

In all the other ties, it was all over after just two legs as the Jolly Colliers, Jacksdale Social Club, White Hart, Miners Arms, Red Lion A, Crossings Club, Boot & Slipper and Somercotes Snooker Club all proceeded to the next round.

This week it is back to league action.

All clubs please note that the entry deadline for singles pairs and five aside competitions is the League Meeting on Thursday May 23rd. However these can be accepted before that date.
