### **Minutes of previous meeting**

Was read and accepted as true record, proposed by Moulders Arms and seconded by Staff of Life

### **Treasurer's report**

Balance is £4914.68

There are a number of teams that still owe money and John will be in touch with them ASAP.

A number of raffle prizes are still outstanding and those teams to be contacted regarding this - ASAP.

Presentation night tickets are selling well – there will be 2 more chances to buy tickets, at the next 2 competition matches, 19<sup>th</sup> and 26<sup>th</sup> Sept.

### **League update**

Steve asked if anyone looked at the results page on the website, as is thinking of scrapping it if no-one looked at it.

Final League tables were updated and high scores discussed; a mention regards promotion and relegation teams depending on teams attending next season.

Ladies Cup / Captain's Cup – not popular this year, Steve asked if we could promote it more and get a better response for next year, otherwise look to scrap the ladies competition and look at possibly changing day of the Captains Cup, so more people would be able to take part (for those that play in Belper league and can't take part after meeting).

Competitions – early rounds to be played on Tuesdays and possible proposal to play on Wednesdays – an ask for teams to consider this for AGM next year.

An ask for teams to see if they had a B side or knew of other teams that would like to join the league – to let committee know for next season

## **AOB**

John asked about the use of the website to check if many people used it. There are plans to improve the website.

Meeting closed at 7.40pm
