

## Minutes of meeting – 21<sup>st</sup> June 2018, Out Of Town

### Roll call

32 teams were present. 3 horse shoes and Station were absent.

Apologies from Station.

### Minutes of previous meeting

Was read and accepted as true record, proposed by Moulders Arms and seconded by Carnfield Club.

### Treasurers Report

Balance was at £5035.66, reminder was given for all teams to pay last lot of fees at next meeting, thanks to teams that have already done so.

Ladies cup match will also take place after next meeting.

At next meeting all teams will need to submit a raffle prize or £5 for presentation night and any trophies from last year.

### League update

LMMW - the team have moved to HCC and will now be known as HCC. Thanks for all teams for submitting scores to Steve on the night after the match, enabling website to be updated with results and league tables.

The 3 horse shoes have seemingly /probably dropped out from the league and as per rules – points will be expunged from matches played already.

I explained the competition packs for singles /pairs and fives for those venues hosting the comps.

Steve explained that a single or pair can be changed so another player can take part – if this is done, that person must then play in any subsequent rounds.

Steve also clarified BAM rule as it seems a number of teams are playing to other league rules – to note – if a leg is drawn, there is no BAM. A BAM is only played at the end of the match, if the total pin scores are level in a league match or the leg scores are level in a cup match.

Steve gave thanks to Jolly Colliers for being sporting and rearranging a match to be played a week late when they could have claimed the points.

England could be playing on Tuesday 3<sup>rd</sup> July – if any teams need to rearrange – to sort it out and play the match ASAP but before the next league match.
